

J10 Piano Black (EA)

Absolute pleasure, prepared in style

The J10 is a work of art, combining twice the variety with sophistication, elegance and style. There is no classic coffee drink that it cannot serve to perfection. It also uses the Cold Extraction Process to prepare Cold Brew specialities with the espresso method and deliver superb quality in every cup. With the J10, there is also the option to top off chosen beverages with a delicately sweet milk foam, serving up an entirely new world of taste. Equipped with cutting-edge technology, such as the P.A.G.2⁺ grinder that monitors consistency of grind, the Coffee Eye, an intuitive operating concept and One-Touch milk system cleaning, the J10 has all your coffee requirements well and truly covered. Its qualities are reflected in the harmoniously symmetrical design; this is a timeless classic with clean lines and top-quality materials.

Benefits at a glance:

- Variety of specialities thanks to Cold Brew and Sweet Foam function
- Elegant design with sophisticated highlights
- P.A.G.2⁺ grinder for coffee moments to remember
- Maximum ease of use thanks to advanced technology

J10

Technical overview

Specific advantages

Number of specialities	42
Cold Extraction Process	■
Sweet Foam Function	■
Active bean monitoring	■
Aroma control	■
Coffee Eye	■
Wi-Fi connection to home network	■
Transmitter supplied as standard	Wi-Fi Connect

JURA coffee machine standards
